

4th Annual Fundraiser Fashion Show

24-hour Design Competition

Who:

[Ifanyi Bell](#) of OPB will be following one lucky designer with his video camera for the brand new “24-hour Design Competition” category in our “[Call to Artists](#)” for this year’s fundraiser fashion show. Fiercely competitive (procrastinators?) are encouraged to sign up for this challenge and literally have 24 hours to make their outfit for the runway. Don’t be scared off though, anyone can participate whether you have sewn since you were 7 years old or never before in your life – amateurs and professionals are encouraged to sign up today at info@modifiedstyle.org. More info can we found on our [website](#).

What:

[Modified Style Portland](#) is a fashion show fundraiser with a few lofty goals. We want to inspire people to get creative, to design, to take risks. We also want to showcase sustainability and show support for local non-profits ([Pixie Project](#), [Children’s Healing Arts Project](#), and [Sisters Of The Road](#)). By utilizing found and donated scrap fabric, in our fashion show, we aim to highlight how easy--and fun!--it is to donate to worthwhile causes. With a big Silent Auction and a raffle, this fashion show shows it's easy to give. Music by [DJ Hot Biology](#). Hosted by [Jefferson Smith](#). Our all-star judges line-up: [Lizz Basinger](#), [Michelle Franklin](#), [Lindsey Newkirk](#), [Marjorie Ann Skinner](#), [Alisa Sloan](#), and [Nicole Whitesell](#).
